

The Glunk

(By C.S. Johnson, illustrated by Malcolm Lee)

I was the Glunk.
Have you heard of me?
The most beautiful beast
In history?

The king of the wild.
When I waved my paw,
The animals bowed
In trembling awe:

The one with no peer
In brains or might -
As strong as a mountain,
As swift as light!

But *I* was the boss,
so I didn't hark
When invited into
Noah's Ark.
The floods came up:

I sank and died.
And that was the end
Of my power and pride!

I was the Glunk.
Have you heard of me?
The most foolish beast
In history?
